**William D. Delahunt, M.C.**

Dear Representative Delahunt:

Thank you for your signing on to the Amicus Brief by members of Congress in support of the Massachusetts Burma Selective Purchasing Law. As the coordinator for the Massachusetts Burma Round Table, I was pleased that all the House members from Massachusetts signed on to the Amicus Brief. With your help, we were able to exceed our original goal of 50 members of Congress, and gain a total of 55 supporters from Congress.

The Supreme Court will likely make its decision whether to hear the case early next year. Reading the amicus brief, I am sure that they will realize that the case of the Massachusetts Burma Law is an important one for the Supreme Court to hear.

However, even if the Supreme Court does decide to take up this issue, our battle is not over. There is good reason to believe we can reverse the decision of the Court of Appeals and re-instate the Massachusetts Burma Law; however, a victory cannot, nor will not, happen without your continued support. Should the Supreme Court hear this case, I hope you will sign on to the final amicus brief, arguing the merits of the case.

Thank you once again for your time, energy, and dedication to help re-instate the Massachusetts Burma Selective Purchasing Law. I look forward to working with you in the near future.

Sincerely,
